FUND SUMMARY: ALPHACENTRIC SMALL CAP OPPORTUNITIES FUND

Investment Objective: The Fund’s investment objective is long-term capital appreciation.

Fees and Expenses of the Fund: This table describes the fees and expenses that you may pay if you buy and hold shares of the Fund. You may qualify for sales charge discounts on purchases of Class A shares if you and your family invest, or agree to invest in the future, at least \$50,000 in the Fund. More information about these and other discounts is available from your financial professional and is included in the section of the Fund's prospectus entitled **How to Buy Shares** on page 9 and “**Appendix A – Intermediary-Specific Sales Charge Reductions and Waivers**” and in the sections of the Fund's Statement of Additional Information entitled **Reduction of Up-Front Sales Charge on Class A Shares** on page 39 and **Waiver of Up-Front Sales Charge on Class A Shares** on page 40.

Shareholder Fees (fees paid directly from your investment)	Class A	Class C	Class I
Maximum Sales Charge (Load) Imposed on Purchases (as a % of offering price)	5.75%	None	None
Maximum Deferred Sales Charge (Load)	None	None	None
Maximum Sales Charge (Load) Imposed on Reinvested Dividends and other Distributions	None	None	None
Redemption Fee	None	None	None
Annual Fund Operating Expenses (expenses that you pay each year as a percentage of the value of your investment)			
Management Fees	1.25%	1.25%	1.25%
Distribution and Service (12b-1) Fees	0.25%	1.00%	0.00%
Other Expenses¹	0.31%	0.31%	0.31%
Acquired Fund Fees and Expenses^{1, 2}	0.01%	0.01%	0.01%
Total Annual Fund Operating Expenses¹	1.82%	2.57%	1.57%
Fee Waiver and/or Expense Reimbursement³	(0.16%)	(0.16%)	(0.16%)
Total Annual Fund Operating Expenses After Fee Waiver and/or Expense Reimbursement	1.66%	2.41%	1.41%

¹ Estimated for the current fiscal year.

² Acquired Fund Fees and Expenses are the indirect costs of investing in other investment companies. The total annual fund operating expenses in this fee table will not correlate to the expense ratio in the Fund's financial highlights because the financial statements include only the direct operating expenses incurred by the Fund, not the indirect costs of investing in other investment companies.

³ The Advisor has contractually agreed to waive fees and/or reimburse expenses of the Fund to the extent necessary to limit total annual fund operating expenses (excluding certain expenses including brokerage costs; underlying fund expenses; borrowing costs, such as (a), interest and (b) dividends on securities sold short; taxes; and, extraordinary expenses) at 1.65%, 2.40% and 1.40% for Class A shares, Class C shares and Class I shares, respectively, through July 31, 2019. This agreement may only be terminated by the Fund's Board of Trustees on 60 days' written notice to the Advisor and upon the termination of the Management Agreement between the Trust and the Advisor. Fee waivers and expense reimbursements are subject to possible recoupment by the Advisor from the Fund in future years on a rolling three-year basis (within the three years after the fees have been waived or reimbursed) if such recoupment can be achieved within the lesser of the expense limitation in place at the time of waiver/reimbursement and the expense limitation in place at the time of recapture.

Example: This Example is intended to help you compare the cost of investing in the Fund with the cost of investing in other mutual funds. The Example assumes that you invest \$10,000 in the Fund for the time periods indicated, and then redeem all of your shares at the end of those

periods. The Example also assumes that your investment has a 5% return each year and that the Fund's operating expenses remain the same. Although your actual costs may be higher or lower, based on these assumptions your costs would be:

<u>Year</u>	<u>Class A</u>	<u>Class C</u>	<u>Class I</u>
1	\$734	\$244	\$144
3	\$1,100	\$784	\$480

Portfolio Turnover: The Fund pays transaction costs, such as commissions, when it buys and sells securities (or "turns over" its portfolio). A higher portfolio turnover may indicate higher transaction costs and may result in higher taxes when Fund shares are held in a taxable account. These costs, which are not reflected in annual fund operating expenses or in the Example, affect the Fund's performance. Because the Portfolio has not commenced operations as of the date of this prospectus, the portfolio turnover rate for the last fiscal year is not available. In the future, the portfolio turnover rate for the most recent fiscal year will be provided here.

Principal Investment Strategies:

The Fund seeks to achieve its investment objective by investing in common stocks of small capitalization companies that the Fund's sub-advisor, Pacific View Asset Management, LLC (the "Sub-Advisor"), believes have underappreciated earnings potential and exhibit reasonable valuations. Although the Fund invests primarily in U.S. companies, it may invest in the securities of foreign issuers listed on U.S. exchanges, including American Depositary Receipts ("ADRs").

Under normal circumstances, the Fund invests at least 80% of its net assets (plus borrowings for investment purposes) in securities of small market capitalization companies. The Sub-Advisor considers small market capitalization companies for this purpose to be companies that, at the time of purchase, have market capitalizations within the range of companies within the Russell 2000 Index ("Index"). The dollar range of the Index as of May 1, 2018 was \$16.7 million to \$14.4 billion. The Fund will invest across various sectors and industries.

The Sub-Advisor employs proprietary bottom-up research to identify companies with potential for capital appreciation. The Sub-Advisor seeks to invest in companies that are priced at reasonable valuations in order to attempt to mitigate valuation risk. As part of that process, the Sub-Advisor analyzes companies' historical valuation multiples (e.g., price-to-earnings, enterprise value-to-earnings before interest, taxes, depreciation and amortization, enterprise value-to-sales) to determine the company's long-term valuation characteristics. It generally considers valuations for a company to be reasonable when valuation multiples are near or below historical averages. The Fund sells a stock when its risk/return profile becomes less attractive as a result of price appreciation, there is an adverse change to the company's earnings potential, or there is an opportunity to invest in a different stock with a more attractive risk/return profile.

The Fund is classified as “non-diversified” for purposes of the Investment Company Act of 1940 (the “1940 Act”), which means that it is not limited by the 1940 Act with regard to the portion of its assets that may be invested in the securities of a single issuer.

Principal Risks of Investing in the Fund:

As with any mutual fund, there is no guarantee that the Fund will achieve its objective. Investment markets are unpredictable and there will be certain market conditions where the Fund will not meet its investment objective and will lose money. The Fund’s net asset value and returns will vary and you could lose money on your investment in the Fund and those losses could be significant.

The following summarizes the principal risks of investing in the Fund. These risks could adversely affect the net asset value, total return and the value of the Fund and your investment.

Common Stock Risk. Common stocks are susceptible to general stock market fluctuations and to volatile increases and decreases in value as market confidence in and perceptions of their issuers change. Investor perceptions are based on various and unpredictable factors, including expectations regarding government, economic, monetary and fiscal policies; inflation and interest rates; economic expansion or contraction and global or regional political, economic and banking crises.

Foreign Securities Risk. Since the Fund’s investments may include securities of foreign companies traded on U.S. exchanges, including ADRs, the Fund is subject to risks beyond those associated with investing in domestic securities. The value of foreign securities is subject to currency fluctuations. Foreign companies are generally not subject to the same regulatory requirements of U.S. companies thereby resulting in less publicly available information about these companies. In addition, foreign accounting, auditing and financial reporting standards generally differ from those applicable to U.S. companies.

Limited History of Operations: The Fund is a new or relatively new mutual fund and has a limited history of operations for investors to evaluate.

Management Risk. The portfolio manager’s judgments about the attractiveness, value and potential appreciation of particular securities in which the Fund invests may prove to be incorrect and there is no guarantee that the portfolio manager’s judgment will produce the desired results.

Market Risk. Overall stock market risks may also affect the value of the Fund. Factors such as domestic economic growth and market conditions, interest rate levels and political events affect the securities markets.

Non-diversification Risk. Because a relatively high percentage of the Fund’s assets may be invested in the securities of a limited number of companies that could be in the same or related economic sectors, the Fund’s portfolio may be more susceptible to any single economic, technological or regulatory occurrence than the portfolio of a diversified fund.

Regulatory Risk: Changes in the laws or regulations of the United States or other countries, including any changes to applicable tax laws and regulations, could impair the ability of the Fund to achieve its investment objective and could increase the operating expenses of the Fund.

Security Risk. The value of the Fund may decrease in response to the activities and financial prospects of an individual security in the Fund's portfolio.

Small Capitalization Stock Risk. To the extent the Fund invests in the stocks of small companies, the Fund may be subject to additional risks. The earnings and prospects of these companies are more volatile than larger companies. These companies may experience higher failure rates than larger companies. Small companies normally have a lower trading volume than larger companies, which may tend to make their market price fall more disproportionately than larger companies in response to selling pressures. Small companies may also have limited markets, product lines or financial resources and may lack management experience.

Performance: Because the Fund is a new fund and does not yet have a full calendar year of investment operations, no performance information is presented for the Fund at this time. In the future, performance information will be presented in this section of this Prospectus. Updated performance information will be available at no cost by calling 1-844-ACFUNDS (844-223-8637) or visiting the Fund's website at www.AlphaCentricFunds.com.

Advisor: AlphaCentric Advisors LLC is the Fund's investment advisor (the "Advisor").

Sub-Advisor: Pacific View Asset Management, LLC is the Fund's investment sub-advisor.

Portfolio Manager: Mike Ashton, CFA, Portfolio Manager of the Sub-Advisor, is the Fund's Portfolio Manager and is primarily responsible for the day to day management of the Fund's portfolio. He has served the Fund in this capacity since the Fund commenced operations in 2018.

Purchase and Sale of Fund Shares: The minimum initial investment in all share classes of the Fund is \$2,500 for regular and IRA accounts, and \$100 for an automatic investment plan account. The minimum subsequent investment in all share classes of the Fund is \$100. You may purchase and redeem shares of the Fund on any day that the New York Stock Exchange is open. Redemption requests may be made in writing, by telephone or through a financial intermediary to the Fund or the Transfer Agent and will be paid by check or wire transfer.

Tax Information: Dividends and capital gain distributions you receive from the Fund, whether you reinvest your distributions in additional Fund shares or receive them in cash, are taxable to you at either ordinary income or capital gains tax rates unless you are investing through a tax-deferred plan such as an IRA or 401(k) plan. If you are investing in a tax-deferred plan, distributions may be taxable upon withdrawal from the plan.

Payments to Broker-Dealers and Other Financial Intermediaries: If you purchase the Fund through a broker-dealer or other financial intermediary (such as a bank), the Fund and its related companies may pay the intermediary for the sale of Fund shares and related services. These payments may create a conflict of interest by influencing the broker-dealer or other intermediary and your salesperson to recommend the Fund over another investment. Ask your salesperson or visit your financial intermediary's website for more information.

ADDITIONAL INFORMATION ABOUT THE FUND'S PRINCIPAL INVESTMENT STRATEGIES AND RELATED RISKS

INVESTMENT OBJECTIVE

The Fund's investment objective will be long-term capital appreciation. The investment objective of the Fund is non-fundamental and may be changed by the Board of Trustees without shareholder approval. If the Board decides to change the Fund's investment objective or change the Fund's policy to invests at least 80% of its net assets (plus borrowings for investment purposes) in securities of small market capitalization companies, shareholders will be given 60 days' advance notice.

PRINCIPAL INVESTMENT STRATEGIES

The Fund's main investment strategies are discussed in this prospectus and are the strategies that the Advisor and/or Sub-Advisor believes are most likely to be important in trying to achieve the Fund's investment objective. You should note, however, that the Fund may use other non-principal strategies and invest in other securities not described in this prospectus, which are disclosed in detail in the Fund's Statement of Additional Information ("SAI"). For a copy of the SAI please call toll free at 1-844-ACFUNDS (844-223-8637) or visit the Fund's website at www.AlphaCentricFunds.com.

AlphaCentric Small Cap Opportunities Fund

The Fund seeks to achieve its investment objective by investing in common stocks of small capitalization companies that the Sub-Advisor believes have underappreciated earnings potential and exhibit reasonable valuations. Although the Fund invests primarily in U.S. companies, it may invest in the securities of foreign issuers listed on U.S. exchanges, including ADRs.

Under normal circumstances, the Fund invests at least 80% of its net assets (plus borrowings for investment purposes) in securities of small market capitalization companies. The Sub-Advisor considers small market capitalization companies for this purpose to be companies that, at the time of purchase, have market capitalizations within the range of companies within the Russell 2000 Index. The Fund will invest across various sectors and industries.

The Sub-Advisor employs proprietary bottom-up research to identify companies with potential for capital appreciation. The Sub-Advisor seeks to invest in companies that are priced at reasonable valuations in order to attempt to mitigate valuation risk. As part of that process, the Sub-Advisor analyzes companies' historical valuation multiples (e.g., price-to-earnings, enterprise value-to-earnings before interest, taxes, depreciation and amortization, enterprise value-to-sales) to determine the company's long-term valuation characteristics. It generally considers valuations for a company to be reasonable when valuation multiples are near or below historical averages. The Fund sells a stock when its risk/return profile becomes less attractive as a result of price appreciation, there is an adverse change to the company's earnings potential, or there is an opportunity to invest in a different stock with a more attractive risk/return profile.

The Fund is classified as "non-diversified" for purposes of the Investment Company Act of 1940 (the "1940 Act"), which means that it is not limited by the 1940 Act with regard to the portion of its assets that may be invested in the securities of a single issuer.

Temporary Defensive Positions

From time to time, the Fund may take temporary defensive positions, which are inconsistent with the Fund's principal investment strategies, in attempting to respond to adverse market, economic, political, or other conditions. For example, the Fund may hold all or a portion of its assets in money market instruments, including cash, cash equivalents, U.S. government securities, other investment grade fixed income securities, certificates of deposit, bankers acceptances, commercial paper, money market funds and repurchase agreements. While the Fund is in a defensive position, the opportunity to achieve its investment objective will be limited. If the Fund invests in a money market fund, the shareholders of the Fund generally will be subject to duplicative management fees. Although the Fund would do this only in seeking to avoid losses, the Fund will be unable to pursue its investment objective during that time, and it could reduce the benefit from any upswing in the market.

Manager-of-Managers Order

Mutual Fund Series Trust and the Advisor have received an exemptive order (the "Order") from the SEC that would permit the Advisor, with the Trust's Board of Trustees' approval, to enter into sub-advisory agreements with one or more sub-advisers without obtaining shareholder approval. The Order permits the Advisor, subject to the approval of the Board of Trustees, to replace sub-advisers or amend sub-advisory agreements, including fees, without shareholder approval whenever the Advisor and the Trustees believe such action will benefit the Fund and its shareholders.

PRINCIPAL INVESTMENT RISKS

All mutual funds carry a certain amount of risk. As with any mutual fund, there is no guarantee that the Fund will achieve its objective. Investment markets are unpredictable and there will be certain market conditions where the Fund will not meet its investment objective and will lose money. The Fund's net asset value and returns will vary and you could lose money on your investment in the Fund and those losses could be significant. An investment in the Fund is not a complete investment program.

The following summarizes the principal risks of the Fund. These risks could adversely affect the net asset value, total return and the value of the Fund and your investment in the Fund. The risk descriptions below provide a more detailed explanation of some of the principal investment risks that correspond to the risks described in the Fund's "Fund Summary" section of this Prospectus.

Common Stock Risk. Common stocks are susceptible to general stock market fluctuations and to volatile increases and decreases in value as market confidence in and perceptions of their issuers change. Investor perceptions are based on various and unpredictable factors, including expectations regarding government, economic, monetary and fiscal policies; inflation and interest rates; economic expansion or contraction and global or regional political, economic and banking crises.

Foreign Securities Risk. Since the Fund's investments may include securities of foreign companies listed on U.S. exchanges including ADRs, the Fund is subject to risks beyond those associated with investing in domestic securities. The value of foreign securities is subject to currency fluctuations. Foreign companies are generally not subject to the same regulatory requirements of U.S. companies thereby resulting in less publicly available information about these companies. In addition, foreign accounting, auditing and financial reporting standards generally differ from those applicable to U.S. companies. Depository receipts maintain substantially the same risks as those associated with investments in foreign securities and may be under no obligation to distribute shareholder communications or pass through any voting rights with respect to the deposited securities.

Limited History of Operations. The Fund is a new mutual fund and has a limited history of operations for investors to evaluate. Investors in the Fund bear the risk that the Fund may not be successful in implementing its investment strategies, may be unable to implement certain of its investment strategies or may fail to attract sufficient assets, any of which could result in the Fund being liquidated and terminated at any time without shareholder approval and at a time that may not be favorable for all shareholders. Such a liquidation could have negative tax consequences for shareholders and will cause shareholders to incur expenses of liquidation. Mutual funds and their advisers are subject to restrictions and limitations imposed by the Investment Company Act of 1940, as amended, and the Internal Revenue Code that do not apply to the Adviser's management of individual and institutional accounts. As a result, the Adviser may not achieve its intended result in managing the Fund.

Management Risk. The Sub-Adviser's reliance on its strategy and its judgments about the value and potential appreciation securities in which the Fund invests may prove to be incorrect. The ability of the Fund to meet its investment objective is directly related to the Sub-Adviser's proprietary investment process. The Sub-Adviser's assessment of the relative value of securities, their attractiveness and potential appreciation of particular investments in which the Fund invests may prove to be incorrect and there is no guarantee that the Sub-Adviser's investment strategy will produce the desired results.

Market Risk. Overall stock and bond market risks may also affect the value of the Fund. Factors such as domestic economic growth and market conditions, interest rate levels and political events affect the securities markets. Stocks and bonds involve the risk that they may never reach what the manager believes is their full market value, either because the market fails to recognize the security's intrinsic worth or the manager misgauged that worth. They also may decline in price, even though, in theory, they are already undervalued.

Non-diversification Risk. The Fund is non-diversified. This means that it may invest a larger portion of its assets in a limited number of companies than a diversified fund. Because a relatively high percentage of the Fund's assets may be invested in the securities of a limited number of companies that could be in the same or related economic sectors, the Fund's portfolio may be more susceptible to any single economic, technological or regulatory occurrence than the portfolio of a diversified fund.

Regulatory Risk. Changes in the laws or regulations of the United States or other countries, including any changes to applicable tax laws and regulations, could impair the ability of the Fund to achieve its investment objective and could increase the operating expenses of the Fund.

Security Risk. The value of the Fund may decrease in response to the activities and financial prospects of an individual security in the Fund's portfolio. The net asset value of the Fund will fluctuate based on changes in the value of the securities in which the Fund invests. The Fund invests in securities that may be more volatile and carry more risk than some other forms of investment. The price of securities may rise or fall because of economic or political changes. Security prices in general may decline over short or even extended periods of time. Market prices of securities in broad market segments may be adversely affected by a prominent issuer having experienced losses, lack of earnings, failure to meet the market's expectations with respect to new products or services, or even by factors wholly unrelated to the value or condition of the issuer, such as changes in interest rates.

Smaller Capitalization Stock Risk. To the extent the Fund invests in the stocks of smaller-sized companies, the Fund may be subject to additional risks. The earnings and prospects of these companies are more volatile than larger companies. Smaller-sized companies may experience higher failure rates than do larger companies. The trading volume of securities of smaller-sized companies is normally less than that of larger companies and, therefore, may disproportionately affect their market price, tending to make them fall more in response to selling pressure than is the case with larger companies. Smaller-sized companies may have limited markets, product lines or financial resources and may lack management experience.

Portfolio Holdings Disclosure Policies

A description of the Fund's policies regarding disclosure of the securities in the Fund's portfolio is found in the Statement of Additional Information.

Cybersecurity

The computer systems, networks and devices used by the Fund and its service providers to carry out routine business operations employ a variety of protections designed to prevent damage or interruption from computer viruses, network failures, computer and telecommunication failures, infiltration by unauthorized persons and security breaches. Despite the various protections utilized by the Fund and its service providers, systems, networks, or devices potentially can be breached. The Fund and its shareholders could be negatively impacted as a result of a cybersecurity breach.

Cybersecurity breaches can include unauthorized access to systems, networks, or devices; infection from computer viruses or other malicious software code; and attacks that shut down, disable, slow, or otherwise disrupt operations, business processes, or website access or functionality. Cybersecurity breaches may cause disruptions and impact the Funds' business operations, potentially resulting in financial losses; interference with a Fund's ability to calculate its NAV; impediments to trading; the inability of a Fund, the advisor, the Advisor and other service providers to transact business; violations of applicable privacy and other laws; regulatory fines, penalties, reputational damage, reimbursement or other compensation costs, or additional compliance costs; as well as the inadvertent release of confidential information.

Similar adverse consequences could result from cybersecurity breaches affecting issuers of securities in which the Fund invests; counterparties with which the Fund engages in transactions; governmental and other regulatory authorities; exchange and other financial market operators, banks, brokers, dealers, insurance companies, and other financial institutions (including financial intermediaries and service providers for the Fund's shareholders); and other parties. In addition, substantial costs may be incurred by these entities in order to prevent any cybersecurity breaches in the future.

HOW TO BUY SHARES

Purchasing Shares

You may buy shares on any business day. This includes any day that the Fund is open for business, other than weekends and days on which the New York Stock Exchange ("NYSE") is closed, including the following holidays: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day.

The Fund calculates its net asset value ("NAV") per share as of the close of regular trading on the NYSE every day the NYSE is open. The NYSE normally closes at 4:00 p.m. Eastern Time ("ET"). The Fund's NAV is calculated by taking the total value of the Fund's assets, subtracting its liabilities, and then dividing by the total number of shares outstanding, rounded to the nearest cent.

All shares will be purchased at the NAV per share (plus applicable sales charges, if any) next determined after the Fund receives your application or request in good order. All requests

received in good order by the Fund before 4:00 p.m. (ET) will be processed on that same day. Requests received after 4:00 p.m. will be processed on the next business day.

When making a purchase request, make sure your request is in good order. “Good order” means your purchase request includes:

- the name of the Fund and share class
- the dollar amount of shares to be purchased
- a completed purchase application or investment stub
- check payable to the Fund

Sales Charge Waivers and Reductions Available Through Certain Financial Intermediaries

The availability of certain sales charge waivers and discounts may depend on whether you purchase your shares directly from the Fund or through a financial intermediary. Intermediaries may impose different sales charges other than those listed below for Class A and Class C shares and may have different policies and procedures regarding the availability of sales load and waivers or reductions. **Such intermediary-specific sales charge variations are described in Appendix A to this prospectus, titled “Intermediary-Specific Sales Charge Reductions and Waivers”. Appendix A is incorporated by reference into (or legally considered part of) this prospectus.**

In all instances, it is the shareholder’s responsibility to notify the Fund or the shareholder’s financial intermediary at the time of purchase of any relationship or other facts qualifying the shareholder for sales charge reductions or waivers. For reductions and waivers not available through a particular intermediary, shareholders will have to purchase Fund shares directly from the Fund or through another intermediary to receive these reductions or waivers.

Multiple Classes

The Fund offers Class A, Class C and Class I shares through this prospectus. Each Class of shares has a different distribution arrangement and expenses to provide for different investment needs. This allows you to choose the class of shares most suitable for you depending on the amount and length of investment and other relevant factors. Sales personnel may receive different compensation for selling each class of shares. Each class of shares represents an interest in the same portfolio of investments in the Fund. Not all share classes may be available in all states.

Class A Shares

You can buy Class A shares at the public offering price, which is the NAV plus an up-front sales charge. You may qualify for a reduced sales charge, or the sales charge may be waived, as described below. The up-front sales charge also does not apply to Class A shares acquired through reinvestment of dividends and capital gains distributions. Class A shares are subject to a 12b-1 fee which is lower than the 12b-1 fee for the Class C shares.

The up-front Class A sales charge and the commissions paid to dealers for the Fund are as follows:

Amount of Purchase	Sales Charge as % of Public Offering Price	Sales Charge as % of Net Amount Invested	Authorized Dealer Commission as % of Public Offering Price
Less than \$50,000	5.75%	6.10%	5.00%
\$50,000 but less than \$100,000	4.75%	4.99%	4.00%
\$100,000 but less than \$250,000	4.00%	4.17%	3.25%
\$250,000 but less than \$500,000	3.00%	3.09%	2.50%
\$500,000 but less than \$1,000,000	2.50%	2.56%	2.00%
\$1,000,000 and above	1.00%	1.01%	1.00%

How to Reduce Your Sales Charge

The Fund offers a number of ways to reduce or eliminate the up-front sales charge on Class A shares.

Class A Sales Charge Reductions

Reduced sales charges are available to shareholders with investments of \$50,000 or more. In addition, you may qualify for reduced sales charges under the following circumstances.

Letter of Intent: An investor may qualify for a reduced sales charge immediately by stating his or her intention to invest in one or more of the funds in the AlphaCentric Family of Funds, during a 13-month period, an amount that would qualify for a reduced sales charge and by signing a Letter of Intent, which may be signed at any time within 90 days after the first investment to be included under the Letter of Intent. However, if an investor does not buy enough shares to qualify for the lower sales charge by the end of the 13-month period (or when you sell your shares, if earlier), the additional shares that were purchased due to the reduced sales charge credit the investor received will be liquidated to pay the additional sales charge owed.

Rights of Accumulation: You may add the current value of all of your existing AlphaCentric Fund shares to determine the front-end sales charge to be applied to your current Class A purchase. Only balances currently held entirely at the Fund or, if held in an account through a financial services firm, at the same firm through whom you are making your current purchase, will be eligible to be added to your current purchase for purposes of determining your Class A sales charge. You may include the value of AlphaCentric Funds' investments held by the members of your immediate family, including the value of Fund's investments held by you or them in individual retirement plans, such as individual retirement accounts, or IRAs, provided such balances are also currently held entirely at the Fund or, if held in an account through a financial services firm, at the same financial services firm through whom you are making your current purchase. The value of shares eligible for a cumulative quantity discount equals the cumulative cost of the shares purchased (not including reinvested dividends) or the current account market value; whichever is greater. The current market value of the shares is determined by multiplying the number of shares by the previous day's NAV. If you believe there are cumulative quantity discount eligible shares that can be combined with your current purchase to

achieve a sales charge breakpoint, you must, at the time of your purchase (including at the time of any future purchase) specifically identify those shares to your current purchase broker-dealer.

Class A Sales Charge Waivers: The Fund may sell Class A shares at NAV (i.e. without the investor paying any initial sales charge) to certain categories of investors, including: (1) investment advisory clients or investors referred by the Fund’s Advisor or its affiliates; (2) officers and present or former Trustees of the Trust; directors and employees of selected dealers or agents; the spouse, sibling, direct ancestor or direct descendant (collectively “relatives”) of any such person; any trust, individual retirement account or retirement plan account for the benefit of any such person or relative; or the estate of any such person or relative; if such shares are purchased for investment purposes (such shares may not be resold except to the Fund); (3) the Fund’s Advisor or its affiliates and certain employee benefit plans for employees of the Advisor or any of its affiliates; (4) fee-based financial planners and registered investment advisors who are purchasing on behalf of their clients, where there is an agreement in place with respect to such purchases; (5) registered representatives of broker-dealers who have entered into selling agreements with the Fund’s advisor for their own accounts; and (6) participants in no-transaction-fee programs of broker dealers that have entered into an agreement with the Fund, Advisor or Distributor with respect to such purchases.

For more information regarding which intermediaries may have agreements with the Fund or distributor and their policies and procedures with respect to purchases at NAV, see Appendix A to this prospectus, titled “Intermediary-Specific Sales Charge Reductions and Waivers”. In addition, certain intermediaries may also provide for different sales charge discounts, which are also described in Appendix A to this prospectus.

Please refer to the Statement of Additional Information for detailed program descriptions and eligibility requirements. Additional information is available by calling 1-844-ACFUND (1-844-223-8637). Your financial advisor can also help you prepare any necessary application forms. You or your financial advisor must notify the Fund at the time of each purchase if you are eligible for any of these programs. The Fund may modify or discontinue these programs at any time. Information on sales charge reductions and/or waivers is not separately available on the Fund’s website because it is contained in this Prospectus.

Class C Shares

You can buy class C shares at NAV. Class C shares are subject to a 12b-1 fee of 1.00%, payable to the Advisor or selected dealers. Because Class C shares pay a higher 12b-1 fee than Class A shares, Class C shares have higher ongoing expenses than Class A shares.

Class I Shares

You can buy Class I shares at NAV. Sales of Class I shares are not subject to a front-end sales charge. The Fund has adopted a 12b-1 plan for Class I Shares pursuant to which the Class is subject to a 12b-1 fee of 0.25% of its average daily net assets. The 12b-1 plan has not been implemented for the Class and there are no plans to do so. Availability of Class I shares is subject to agreement between the distributor and each financial intermediary.

Opening an Account

You may purchase shares directly through the Fund's transfer agent or through a brokerage firm or other financial institution that has agreed to sell Fund shares. If you purchase shares through a brokerage firm or other financial institution, you may be charged a fee by the firm or institution.

If you are investing directly in the Fund for the first time, please call toll-free 1-844-ACFUND (1-844-223-8637) to request a Shareholder Account Application. You will need to establish an account before investing. Be sure to sign up for all the account options that you plan to take advantage of. For example, if you would like to be able to redeem your shares by telephone, you should select this option on your Shareholder Account Application. Doing so when you open your account means that you will not need to complete additional paperwork later.

If you are purchasing through the Fund's transfer agent, send the completed Shareholder Account Application and a check payable to the Fund to the following address:

AlphaCentric Funds
c/o Gemini Fund Services, LLC
17605 Wright Street, Suite 2
Omaha NE 68130

All purchases must be made in U.S. dollars and checks must be drawn on U.S. banks. No cash, credit cards or third party checks will be accepted. A \$20 fee will be charged against your account for any payment check returned to the transfer agent or for any incomplete electronic funds transfer, or for insufficient funds, stop payment, closed account or other reasons. If a check does not clear your bank or the Fund is unable to debit your predesignated bank account on the day of purchase, the Fund reserves the right to cancel the purchase. If your purchase is canceled, you will be responsible for any losses or fees imposed by your bank and losses that may be incurred as a result of a decline in the value of the canceled purchase. Your investment in the Fund should be intended to serve as a long-term investment vehicle. The Fund is not designed to provide you with a means of speculating on the short-term fluctuations in the stock market. The Fund reserves the right to reject any purchase request that it regards as disruptive to the efficient management of the Fund, which includes investors with a history of excessive trading. The Fund also reserves the right to stop offering shares at any time.

If you choose to pay by wire, you must call the Fund's transfer agent, at 1-844-ACFUND (1-844-223-8637) to obtain instructions on how to set up your account and to obtain an account number and wire instructions.

Wire orders will be accepted only on a day on which the Fund, custodian and transfer agent are open for business. A wire purchase will not be considered made until the wired money and purchase order are received by the Fund. Any delays that may occur in wiring money, including delays that may occur in processing by the banks, are not the responsibility of the Fund

or the transfer agent. The Fund presently does not charge a fee for the receipt of wired funds, but the Fund may charge shareholders for this service in the future.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. This means that when you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask for other identifying documents or information, and may take additional steps to verify your identity. We may not be able to open your account or complete a transaction for you until we are able to verify your identity.

Minimum Purchase Amount

The minimum initial investment in each share class of the Fund is \$2,500 for a regular account, \$2,500 for an IRA account, or \$100 for an automatic investment plan account. The minimum subsequent investment in the Fund is \$100. The Fund reserves the right to change the amount of these minimums from time to time or to waive them in whole or in part for certain accounts. Investment minimums may be higher or lower for investors purchasing shares through a brokerage firm or other financial institution. To the extent investments of individual investors are aggregated into an omnibus account established by an investment advisor, broker or other intermediary, the account minimums apply to the omnibus account, not to the account of the individual investor.

Automatic Investment Plan

You may open an automatic investment plan account with a \$100 initial purchase and a \$100 monthly investment. If you have an existing account that does not include the automatic investment plan, you can contact the Fund's transfer agent to establish an automatic investment plan. The automatic investment plan provides a convenient method to have monies deducted directly from your bank account for investment in the Fund. You may authorize the automatic withdrawal of funds from your bank account for a minimum amount of \$100. The Fund may alter, modify or terminate this plan at any time. To begin participating in this plan, please complete the Automatic Investment Plan Section found on the application or contact the Fund at 1-844-ACFUNDS (1-844-223-8637).

Additional Investments

The minimum subsequent investment in the Fund is \$100. You may purchase additional shares of the Fund by check or wire. Your bank wire should be sent as outlined above. You also may purchase Fund shares by making automatic periodic investments from your bank account. To use this feature, select the automatic investment option in the account application and provide the necessary information about the bank account from which your investments will be made. You may revoke your election to make automatic investments by calling 1-844-ACFUNDS (1-844-223-8637) or by writing to the Fund at:

AlphaCentric Funds
c/o Gemini Fund Services, LLC

17605 Wright Street, Suite 2
Omaha NE 68130

Other Purchase Information

The Fund may limit the amount of purchases and refuse to sell to any person. If your electronic funds transfer is incomplete, payment is not completed due to insufficient funds, stop payment, closed account, a check does not clear your bank, or the Fund is unable to debit your predesignated bank account, you will be responsible for any loss incurred by the Fund. If you are already a shareholder, the Fund can, with notice, redeem shares from any identically registered account in the Fund as reimbursement for any loss incurred. You may be prohibited or restricted from making future purchases in the Fund.

The Fund has authorized certain broker-dealers and other financial institutions (including their designated intermediaries) to accept on its behalf purchase and sell orders. These broker-dealers and financial institutions may charge a fee for their services. The Fund is deemed to have received an order when the authorized person or designee receives the order, and the order is processed at the NAV next calculated thereafter. It is the responsibility of the broker-dealer or other financial institution to transmit orders promptly to the Fund's transfer agent.

Market Timing

The Fund discourages market timing. Market timing is an investment strategy using frequent purchases, redemptions and/or exchanges in an attempt to profit from short term market movements. To the extent that the Fund significantly invests in small or mid-capitalization equity securities or derivative investments, because these securities are often infrequently traded, investors may seek to trade Fund shares in an effort to benefit from their understanding of the value of these securities (referred to as price arbitrage). Market timing may result in dilution of the value of Fund shares held by long term shareholders, disrupt portfolio management and increase Fund expenses for all shareholders. The Board of Trustees has adopted a policy directing the Fund to reject any purchase order with respect to one investor, a related group of investors or their agent(s), where it detects a pattern of purchases and sales of the Fund that indicates market timing or trading that it determines is abusive. This policy applies uniformly to all Fund shareholders. While the Fund attempts to deter market timing, there is no assurance that they will be able to identify and eliminate all market timers. For example, certain accounts called "omnibus accounts" include multiple shareholders. Omnibus accounts typically provide the Fund with a net purchase or redemption request on any given day where purchasers of Fund shares and redeemers of Fund shares are netted against one another and the identities of individual purchasers and redeemers whose orders are aggregated are not known by the Fund. The netting effect often makes it more difficult for the Fund to detect market timing, and there can be no assurance that the Fund will be able to do so.

HOW TO REDEEM SHARES

You may redeem your shares on any business day. Redemption orders received in proper order by the Fund's transfer agent or by a brokerage firm or other financial institution that sells Fund shares before 4:00 p.m. ET (or before the NYSE closes if the NYSE closes before 4:00

p.m. ET) will be effective at that day's NAV. Your brokerage firm or financial institution may have an earlier cut-off time.

Shares of the Fund may be redeemed by mail or telephone. You may receive redemption payments in the form of a check or federal wire transfer, subject to any applicable redemption fee. If you redeem your shares through a broker-dealer or other institution, you may be charged a fee by that institution.

By Mail. You may redeem any part of your account in the Fund at no charge by mail. Your request, in good order, should be addressed to:

AlphaCentric Funds
c/o Gemini Fund Services, LLC
17605 Wright Street, Suite 2
Omaha NE 68130

“Good order” means your request for redemption must:

- Include the Fund name and account number;
- Include the account name(s) and address;
- State the dollar amount or number of shares you wish to redeem; and
- Be signed by all registered share owner(s) in the exact name(s) and any special capacity in which they are registered.

The Fund may require that the signatures be guaranteed if you request the redemption check be mailed to an address other than the address of record, or if the mailing address has been changed within 30 days of the redemption request. The Fund may also require that signatures be guaranteed for redemptions of \$100,000 or more. Signature guarantees are for the protection of shareholders. You can obtain a signature guarantee from most banks and securities dealers, but not from a notary public. For joint accounts, both signatures must be guaranteed. Please call the transfer agent at 1-844-ACFUNDS (1-844-223-8637) if you have questions. At the discretion of the Fund, you may be required to furnish additional legal documents to insure proper authorization.

By Telephone. You may redeem any part of your account in the Fund by calling the transfer agent at 1-844-ACFUNDS (1-844-223-8637). You must first complete the Optional Telephone Redemption and Exchange section of the investment application to institute this option. The Fund, the transfer agent and the custodian are not liable for following redemption instructions communicated by telephone to the extent that they reasonably believe the telephone instructions to be genuine. However, if they do not employ reasonable procedures to confirm that telephone instructions are genuine, they may be liable for any losses due to unauthorized or fraudulent instructions. Procedures employed may include recording telephone instructions and requiring a form of personal identification from the caller.

The Fund may terminate the telephone redemption procedures at any time. During periods of extreme market activity it is possible that shareholders may encounter some difficulty in telephoning the Fund, although neither the Fund nor the transfer agent have ever experienced difficulties in receiving and in a timely fashion responding to telephone requests for redemptions or exchanges. If you are unable to reach the Fund by telephone, you may request a redemption or exchange by mail.

Redemptions in Kind: The Fund reserves the right to honor requests for redemption or repurchase orders by making payment in whole or in part in readily marketable securities (“redemption in kind”) if the amount is greater than the lesser of \$250,000 or 1% of the Fund’s assets. The securities will be chosen by the Fund and valued under the Fund’s net asset value procedures. A shareholder will be exposed to market risk until these securities are converted to cash and may incur transaction expenses in converting these securities to cash. However, the Board of Trustees of the Trust has determined that, until otherwise approved by the Board, all redemptions in the Fund be made in cash only. If the Board determines to allow the Funds to redeem in kind in the future, the Fund will provide shareholders with notice of such change to the redemption policy.

Additional Information. If you are not certain of the requirements for redemption please call the transfer agent at 1-844-ACFUND (1-844-223-8637). Redemptions specifying a certain date or share price cannot be accepted and will be returned. You will be mailed the proceeds on or before the fifth business day following receipt of the redemption request. The Fund typically expects to pay redemptions from cash, cash equivalents, proceeds from the sale of Fund shares, any lines of credit, and then from the sale of portfolio securities. These redemption payments methods will be used in regular and stressed market conditions. You may be assessed a fee if the Fund incurs bank charges because you request that the Fund re-issue a redemption check. Also, when the NYSE is closed (or when trading is restricted) for any reason other than its customary weekend or holiday closing or under any emergency circumstances, as determined by the Securities and Exchange Commission, the Fund may suspend redemptions or postpone payment dates.

Because The Fund incurs certain fixed costs in maintaining shareholder accounts, the Fund may require you to redeem all of your shares in the Fund on 30 days written notice if the value of your shares in the Fund is less than \$2,500 due to redemption, or such other minimum amount as the Fund may determine from time to time. You may increase the value of your shares in the Fund to the minimum amount within the 30-day period. All shares of the Fund are also subject to involuntary redemption if the Board of Trustees determines to liquidate the Fund. An involuntary redemption will create a capital gain or a capital loss, which may have tax consequences about which you should consult your tax advisor.

Exchange Privilege

You may exchange shares of Class A, Class C and Class I shares of the Fund only for shares of the same class of another AlphaCentric Fund including for shares of AlphaCentric Funds offered in other prospectuses. For example, you can exchange Class A shares of the Income Opportunities Fund for Class A shares of the Bond Rotation Fund. Shares of the Fund selected for exchange must be available for sale in your state of residence. You must meet the

minimum purchase requirements for the Fund you purchase by exchange. For tax purposes, exchanges of shares involve a sale of shares of the Fund you own and a purchase of the shares of the other Fund, which may result in a capital gain or loss.

Converting Shares

Shareholders of the Fund may elect on a voluntary basis to convert their shares in one class of the Fund into shares of a different class of the same Fund, subject to satisfying the eligibility requirements for investment in the new share class. Shares may only be converted into a share class with a lower expense ratio than the original share class.

An investor may directly or through his or her financial intermediary contact the Fund to request a voluntary conversion between share classes of the same Fund as described above. You may be required to provide sufficient information to establish eligibility to convert to the new share class. All permissible conversions will be made on the basis of the relevant NAVs of the two classes without the imposition of any sales load, redemption fee or other charge. A share conversion within the Fund will not result in a capital gain or loss for federal income tax purposes. The Fund may change, suspend or terminate this conversion feature at any time.

DISTRIBUTION PLANS

The Fund has adopted distribution and service plans under Rule 12b-1 of the Investment Company Act of 1940 that allows The Fund to pay distribution and/or service fees in connection with the distribution of its Class A and Class C shares and for services provided to shareholders. Because these fees are paid out of Fund assets on an ongoing basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges.

Class A Shares

Under the Funds' Plan related to the Class A Shares, each Fund may pay an annual fee of up to 0.50% of the average daily net assets of the respective Fund's Class A Shares (the "Class A 12b-1 Fee") for shareholder services and distribution related expenses. Each Fund is currently paying a Class A 12b-1 Fee of 0.25% of its average daily net assets. If authorized by the Board of Trustees and upon notice to shareholders, the Fund may increase the percentage paid under the Plan up to the Class A 12b-1 Fee amount. All or a portion of the distribution and services fees may be paid to your financial advisor for providing ongoing services to you.

Class C Shares

Under the Fund's Plan related to the Class C Shares, the Fund pays an annual fee of 1.00% of the average daily net assets of the Fund's Class C Shares. All or a portion of the distribution and services fees may be paid to your financial advisor for providing ongoing service to you.

Class I Shares

Under the Fund's Plan related to the Class I Shares, the Fund pays an annual fee of 0.25% of the average daily net assets of the Fund's Class I Shares. The Fund is not currently paying 12b-1 fees and there are no plans to impose these fees.

VALUING THE FUND'S ASSETS

The Fund's assets are generally valued at their market value. If market prices are not available or, in the Advisor's opinion, market prices do not reflect fair value, or if an event occurs after the close of trading on the domestic or foreign exchange or market on which the security is principally traded (but prior to the time the NAV is calculated) that materially affects fair value, the Advisor will value the Fund's assets at their fair value according to policies approved by the Fund's Board of Trustees. For example, if trading in a portfolio security is halted and does not resume before the Fund calculates its NAV, the Advisor may need to price the security using the Fund's fair value pricing guidelines. In these cases, the Fund's NAV will reflect certain portfolio securities' fair value rather than their market price. Fair value pricing involves subjective judgments and it is possible that the fair value determined for a security is materially different than the value that could be realized upon the sale of that security. The fair value prices can differ from market prices when they become available or when a price becomes available. Without a fair value price, short term traders could take advantage of the arbitrage opportunity and dilute the NAV of long term investors. Securities trading on overseas markets present time zone arbitrage opportunities when events affecting portfolio security values occur after the close of the overseas market, but prior to the close of the U.S. market. Fair valuation of the Fund's securities can serve to reduce arbitrage opportunities available to short term traders, but there is no assurance that fair value pricing policies will prevent dilution of the Fund's NAV by short term traders. The Fund may use pricing services to determine market value. The NAV for the Fund investing in other investment companies is calculated based upon the NAV of the underlying investment companies in its portfolio, and the prospectuses of those companies explain the circumstances under which they will use fair value pricing and the effects of using fair value pricing. Because the Fund may invest in securities primarily listed on foreign exchanges, and these exchanges may trade on weekends or other days when the Fund does not price its shares, the value of some of the Fund's portfolio securities may change on days when you may not be able to buy or sell Fund shares.

DIVIDENDS, DISTRIBUTIONS AND TAXES

Dividends and Distributions

The Fund typically distributes substantially all of its net investment income in the form of dividends and taxable capital gains to its shareholders. These distributions are automatically reinvested in the applicable Fund unless you request cash distributions on your application or through a written request to the Fund. The Fund expects that its distributions will consist of both capital gains and dividend income. The Fund intends to make annual dividend distributions. The Fund may make distributions of its net realized capital gains (after any reductions for capital loss carry forwards) annually.

Taxes

In general, selling shares of the Fund and receiving distributions (whether reinvested or taken in cash) are taxable events. Depending on the purchase price and the sale price, you may have a gain or a loss on any shares sold. Any tax liabilities generated by your transactions or by receiving distributions are your responsibility. You may want to avoid making a substantial investment when the Fund is about to make a taxable distribution because you would be responsible for any taxes on the distribution regardless of how long you have owned your shares. The Fund may produce capital gains even if it does not have income to distribute and performance has been poor.

Early each year, the Fund will mail to you a statement setting forth the federal income tax information for all distributions made during the previous year. If you do not provide your taxpayer identification number, your account will be subject to backup withholding.

The tax considerations described in this section do not apply to tax-deferred accounts or other non-taxable entities. Because each investor's tax circumstances are unique, please consult with your tax advisor about your investment.

MANAGEMENT OF THE FUND

Advisor

AlphaCentric Advisors LLC, a Delaware limited liability company located at 36 North New York Avenue, Huntington, NY, 11743 serves as Advisor to the Fund. The Advisor was formed in February 2014. Management of the Fund is currently its primary business. The Advisor is under common control with Catalyst Capital Advisors LLC and Rational Advisors, Inc., the investment advisers of other funds in the same group of investment companies also known as a "fund complex". Information regarding the funds in the Fund Complex can be found at <http://intelligentalts.com>. Under the terms of the management agreement, AlphaCentric Advisors LLC is responsible for formulating the Fund's investment policies, making ongoing investment decisions and engaging in portfolio transactions.

Sub-Advisor

Pacific View Asset Management, LLC, located at 600 Montgomery Street, 5th Floor, San Francisco, California, 94111-2702, serves as investment sub-advisor to the Fund. The Sub-Advisor was formed in June 2012 and, in addition to serving as investment sub-advisor to the Fund, provides investment advice to institutional investors, high net worth individuals and pooled investment vehicles.

Subject to the oversight and approval of the Fund's Advisor, the Sub-Advisor is responsible for making investment decisions and executing portfolio transactions for the Fund. In addition, the Sub-Advisor is responsible for maintaining certain transaction and compliance related records of the Fund. As compensation for the sub-advisory services it provides to the Fund, the Fund's Advisor will pay the Sub-Advisor 50% of the net management fees that the Fund's Advisor receives from the Fund.

Portfolio Manager

Mike Ashton, CFA, is primarily responsible for the day-to-day management of the Fund's portfolio.

Mike Ashton, CFA

Mike Ashton, CFA, Portfolio Manager of the Sub-Advisor's Small Cap Growth strategy, has been the portfolio manager of the Fund since its commencement of operations in 2018. Mr. Ashton joined the Sub-Advisor as Portfolio Manager of the firm's Small Cap Growth and Large Cap Growth strategies in 2013. Prior to joining the Sub-Advisor, Mr. Ashton was employed at Insight Capital Research and Management from 2006 to 2013. While at Insight, he served as Equity Analyst (2006 – 2010) for the firm's Small Cap Growth, SMid Cap Growth, All Cap Growth and Concentrated Growth strategies, as Portfolio Manager (2010 – 2013) for the firm's Small Cap Growth, SMid Cap Growth, and Concentrated Growth strategies, and as Portfolio Manager (2009 – 2013) for the firm's Large Cap Growth Strategy. Mr. Ashton previously was employed at Deutsche Bank Alex. Brown from 1999 to 2004 in the Venture Capital Services Group.

Mr. Ashton graduated with a Bachelor of Arts in Philosophy from Bucknell University and a Master of Business Administration from the University of California, Berkeley. Mr. Ashton is a CFA Charterholder.

The Statement of Additional Information provides additional information about the portfolio manager's compensation, other accounts managed and ownership of securities in his managed Fund.

Advisory Fees

The Fund is authorized to pay the Advisor an annual fee based on its average daily net assets pursuant to an advisory agreement between the Advisor and the Trust, on behalf of the Fund (the "Management Agreement"). The advisory fee is paid monthly. The Advisor has contractually agreed to waive fees and/or reimburse expenses, but only to the extent necessary to maintain the Fund's total annual operating expenses (excluding brokerage costs; underlying fund expenses; borrowing costs, such as (a) interest and (b) dividends on securities sold short; taxes; and extraordinary expenses) at a certain level. This agreement may only be terminated by the Fund's Board of Trustees on 60 days' written notice to the advisor and upon the termination of the Management Agreement between the Trust and the Advisor. Fee waivers and expense

reimbursements are subject to possible recoupment from the Fund in future years on a rolling three year basis (within the three years after the fees have been waived or reimbursed) if the Fund is able to make the repayment without exceeding the expense limitation in effect at the time of the waiver, and any expense limits in place at the time of recoupment and the repayment is approved by the Board of Trustees.

The following table describes the contractual advisory fee and the expense limitation for the Fund.

	Contractual Advisory Fee	Expense Limitation
Small Cap Opportunities Fund	1.25%	Class A - 1.65% Class C – 2.40% Class I – 1.40%

The Fund may directly enter into agreements with financial intermediaries (which may include banks, brokers, securities dealers and other industry professionals) pursuant to which the Fund will pay the financial intermediary for services such as networking or sub-transfer agency, including the maintenance of “street name” or omnibus accounts and related sub-accounting, record-keeping and administrative services provided to such accounts. The Fund, through its rule 12b-1 distribution plan, or the Fund’s respective Advisor or sub-advisor (not the Fund) may also pay certain financial intermediaries a fee for providing distribution related services for each respective Fund’s shareholders to the extent these institutions are allowed to do so by applicable statute, rule or regulation. Please refer to the section of the Statement of Additional Information entitled "Additional Compensation to Financial Intermediaries" for more information.

A discussion regarding the basis of the Board of Trustees’ approval of the management agreement with the Advisor will be available in the Trust’s semi-annual report to shareholders for the period ending September 30, 2017.

Prior Performance of the Sub-Advisor

Provided below is the historical performance of the Sub-Advisor’s U.S. Small Cap Growth Composite which include all client accounts managed by the Sub-Advisor with investment objectives, strategies and policies substantially similar to the Fund. The composite performance returns do not reflect the performance of any one account. Individual accounts may have realized more or less favorable results than the composite results provided. For comparison purposes, the U.S. Small Cap Growth Composite is measured against the Russell 2000 Growth Index.

This information is provided to illustrate the past performance of the Sub-Advisor in managing accounts in a substantially similar manner as the Fund but does not represent the performance of the Fund. Past performance is no guarantee of future results. Performance results may be materially affected by market and economic conditions. Investors should not consider this performance data as an indication of future performance of the Fund, or the return an individual investor might achieve by investing in the Fund.

The performance of the U.S. Small Cap Growth Composite is calculated “net” of transaction costs and an annual investment advisory fee of 1.00% applied monthly. None of the accounts in the U.S. Small Cap Growth Composite had a sales load. Fees and expenses of the private accounts included in the

Sub-Advisor's U.S. Small Cap Growth Composite are generally lower than those of the Fund and, therefore, the Fund's results would be different than the returns reflected below. However, the Fund's results may be lower because private accounts are not subject to certain investment limitations, diversification requirements and other restrictions imposed on mutual funds by the 1940 Act or the Internal Revenue Code, which, if applicable, could have adversely affected the performance of the private accounts.

The performance results are calculated substantially in accordance with Global Investment Performance Standards, which may differ from those of the SEC.

Sub-Advisor's U.S Small Cap Growth Composite Net Dollar Weighted Annual Returns

For the Years Ended December 31	U.S. Small Cap Growth Composite	Russell 2000 Growth Index
2013*	26.71%	22.02%
2014	16.28%	5.60%
2015	3.87%	(1.38)%
2016	14.49%	11.32%
2017	15.03%	22.17%

*Returns for the period July 1, 2013 to December 31, 2013.

Average Annual Total Returns (for the periods ended December 31, 2017)

	ONE YEAR	SINCE INCEPTION²
U.S. Small Cap Growth Composite	15.03%	16.82%
Russell 2000 Growth Index ¹	22.17%	12.91%

¹ The Russell 2000 Growth Index measures the performance of the small cap growth segment of the U.S. equity universe. It includes those Russell 2000 Index companies with higher price-to-value ratios and higher forecasted growth values. The index is completely reconstituted annually to ensure larger stocks do not distort the performance and characteristics of the true small cap opportunity set and that the represented companies continue to reflect growth characteristics.

² Since July 1, 2013

Appendix A

INTERMEDIARY-SPECIFIC SALES CHARGE REDUCTIONS AND WAIVERS

Specific intermediaries may have different policies and procedures regarding the availability of sales charge reductions and waivers, which are discussed below. In all instances, it is the shareholder's responsibility to notify the Fund or the shareholder's financial intermediary at the time of purchase of any relationship or other facts qualifying the shareholder for sales charge reductions or waivers.

MERRILL LYNCH

Shareholders purchasing Fund shares through a Merrill Lynch platform or account will be eligible only for the following load waivers (front-end sales charge waivers and contingent deferred, or back-end, sales charge waivers) and discounts, which may differ from those disclosed elsewhere in the respective Fund's prospectus or SAI.

Front-end Sales Load Waivers on Class A Shares available at Merrill Lynch

- Employer-sponsored retirement, deferred compensation and employee benefit plans (including health savings accounts) and trusts used to fund those plans, provided that the shares are not held in a commission-based brokerage account and shares are held for the benefit of the plan
- Shares purchased by or through a 529 Plan
- Shares purchased through a Merrill Lynch affiliated investment advisory program
- Shares purchased by third party investment advisors on behalf of their advisory clients through Merrill Lynch's platform
- Shares purchased through the Merrill Edge Self-Directed platform
- Shares purchased through reinvestment of capital gains distributions and dividend reinvestment when purchasing shares of the same Fund (but not any other fund within the fund family)
- Shares exchanged from Class C (i.e. level-load) shares of the same Fund in the month of or following the 10-year anniversary of the purchase date
- Employees and registered representatives of Merrill Lynch or its affiliates and their family members
- Directors or Trustees of the Funds, and employees of the Funds' investment adviser or any of its affiliates, as described in the prospectus
- Shares purchased from the proceeds of redemptions within the same fund family, provided (1) the repurchase occurs within 90 days following the redemption, (2) the redemption and purchase occur in the same account, and (3) redeemed shares were subject to a front-end or deferred sales load (known as Rights of Reinstatement)

CDSC Waivers on A and C Shares available at Merrill Lynch

- Death or disability of the shareholder
- Shares sold as part of a systematic withdrawal plan as described in the Fund's prospectus
- Return of excess contributions from an IRA Account

- Shares sold as part of a required minimum distribution for IRA and retirement accounts due to the shareholder reaching age 70½
- Shares sold to pay Merrill Lynch fees but only if the transaction is initiated by Merrill Lynch
- Shares acquired through a right of reinstatement
- Shares held in retirement brokerage accounts, that are exchanged for a lower cost share class due to transfer to certain fee based accounts or platforms (applicable to A and C shares only)

Front-end load Discounts Available at Merrill Lynch: Breakpoints, Rights of Accumulation & Letters of Intent

- Breakpoints as described in this prospectus
- Rights of Accumulation (ROA) which entitle shareholders to breakpoint discounts will be automatically calculated based on the aggregated holding of fund family assets held by accounts within the purchaser's household at Merrill Lynch. Eligible fund family assets not held at Merrill Lynch may be included in the ROA calculation only if the shareholder notifies his or her financial advisor about such assets
- Letters of Intent (LOI) which allow for breakpoint discounts based on anticipated purchases within a fund family, through Merrill Lynch, over a 13-month period of time

RBC CAPITAL MARKETS, LLC (“RBC”)

Front-end Sales Load Waivers on Class A Shares available at RBC

- Employer-sponsored retirement plans.

The information disclosed in the appendix is part of, and incorporated in, the prospectus

PRIVACY NOTICE
MUTUAL FUND SERIES TRUST

Rev. July 2017

FACTS

WHAT DOES MUTUAL FUND SERIES TRUST DO WITH YOUR PERSONAL INFORMATION?

Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some, but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depends on the product or service that you have with us. This information can include:

- Social Security number and wire transfer instructions
- account transactions and transaction history
- investment experience and purchase history

When you are *no longer* our customer, we continue to share your information as described in this notice.

How?

All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons Mutual Fund Series Trust chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information:	Does Mutual Fund Series Trust share information?	Can you limit this sharing?
For our everyday business purposes - such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus.	YES	NO
For our marketing purposes - to offer our products and services to you.	NO	We don't share
For joint marketing with other financial companies.	NO	We don't share
For our affiliates' everyday business purposes - information about your transactions and records.	NO	We don't share
For our affiliates' everyday business purposes - information about your credit worthiness.	NO	We don't share

FOR MORE INFORMATION

Several additional sources of information are available to you. The Statement of Additional Information ("SAI"), incorporated into this Prospectus by reference, contains detailed information on Fund policies and operations, including policies and procedures relating to the disclosure of portfolio holdings by the Fund's affiliates. Annual and semi-annual reports contain management's discussion of market conditions and investment strategies that significantly affected the Fund's performance results as of the Fund's latest semi-annual or annual fiscal year end.

Call the Fund at 1-844-ACFUNDS (844-223-8637) to request free copies of the SAI, the annual report and the semi-annual report, to request other information about the Fund and to make shareholder inquiries. You may also obtain this information from the Fund's internet site at www.AlphaCentricFunds.com.

You may review and copy information about the Fund (including the SAI and other reports) at the Securities and Exchange Commission (the "SEC") Public Reference Room in Washington, D.C. Call the SEC at 1-202-551-8090 for room hours and operation. You also may obtain reports and other information about the Fund on the EDGAR Database on the SEC's Internet site at <http://www.sec.gov>, and copies of this information may be obtained, after paying a duplicating fee, by electronic request at the following e-mail address: publicinfo@sec.gov, or by writing the SEC's Public Reference Section, Washington, D.C. 20549-1520.
